4-H

VOLUNTEERS

The 4-H Program in Baltimore County needs you! You can volunteer to lead or help out in one of our clubs; teach a workshop; help at the county 4-H Fair, or with any of our 4-H county programs. Some of our program areas include:

- Environmental Science
- Plant Sciences; Family Consumerism; Nutrition, Health and Fitness
- Personal Development and Expression
- Applied Mechanics
- Animal Projects
- 4-H Club & Volunteer Development

You can give many hours or just a few. When you help a child grow, your rewards are many. You can also develop skills in youth development and related fields.

How to Sign Up?

To become a Baltimore County 4-H Volunteer, you must be at least 19 years old. You are also required to take the University of Maryland Extension Volunteer Training. This training is only one class and is held several times a year. To find out when the next training date is, simply call the 4-H office at 410-887-8090.

Volunteers are the heart of the 4-H Program!
So, call us to sign up!

VOLUNTEERS DO NOT GET PAID,

THEY ARE PRICELESS!

The University of Maryland Extension programs are open to all and will not discriminate against anyone because of race, age, sex, color, sexual orientation, physical or mental disability, religion, ancestry, or national origin, marital status, genetic information, or political affiliation, or gender identity and expression.

This event would not be possible without the endless volunteer hours given by members of the committees, department superintendents, fair board members and the Baltimore County extension office. A heart felt thank you to everyone who has given their time to make the best better for Baltimore County 4-H youth

Baltimore County 4-H Fair Board

To Promote and Support the 4-H Program and Agriculture

We are proud of the growth in quality of the 4-H Exhibits and the dedicated efforts of local leaders, parents and club members. We hope this Fair will be representative of the interests of youth and agriculture and that participation will result in proper recognition of our 4-H exhibitors' project work.

We gratefully acknowledge the support given by the Maryland Agriculture Fair Board, the Maryland State Fair and Agricultural Society, Inc., and the many sponsors and patrons.

General Rules and Regulations

1. Alcoholic beverages and controlled dangerous substances (drugs) are not allowed on the fairgrounds. Violators will be removed from premises. No smoking permitted in buildings & barns.
2. Anyone exhibiting or participating in activities at the Baltimore County 4-H Club Fair must abide by all General and Department Rules and is responsible to the Baltimore County 4-H Club Fair Association Officials.
3. Disorderly or disrespectful conduct will not be permitted.
4. Any violation of the 4-H Behavioral Expectations and Code of Conduct will be addressed to the Fair Association Board and may result in one or more of the following:
 - a. Exhibitor will be placed on probation for duration of the Fair.
 - b. Exhibitor will be removed from activity or event.
 - c. Exhibitor will forfeit all ribbons, premiums and trophies.
 - d. Exhibitor will be disqualified from the Fair.
5. The Fair Board reserves the right to interpret all rules and regulations and resolve situations which may arise and is not restricted by the lack of a rule or regulation.
6. All Exhibitors must have been enrolled in a Baltimore County 4-H Club on or before May 1 of the current year.
7. All exhibits must be the result of the current year's club work.
8. Only entries in Class Lists will be accepted. Each entry must meet the specification of the class in which it is entered.
9. Competent Judges will be selected and their decisions will be final.
10. No department or exhibitor is to use latex balloons in decorations.
11. Indoor project exhibits will be judged on Dual System. Exhibits within a class are judged according to set of standards, and Gold, Silver or Bronze ribbons awarded. The exhibits will then be compared to each other and ribbons awarded to top placements. This group receives premium money. If warranted, Judges have privilege of not awarding first place.
12. Premiums: Due to proposed Maryland budgetary constraints that are beyond the control of the Baltimore County 4-H Fair Board, the Board reserves the right to withhold a portion of premium monies, up to and including all of an exhibitor's earned premium payment, for the 4-H Fair.
13. Except where stated in a Department's rules, exhibitors will forfeit all Premium Money, Ribbons and Trophies, on all of their projects exhibited if they remove any one or all of their Indoor Exhibit(s) or Animal Exhibit(s) before designated release times stated in the Fair Schedule. No Exceptions will be made for an earlier release.
14. Not more than (1) entry per class may be exhibited by any (1) exhibitor except: Beef, Cats, Dairy Goats, Dairy Steers, Sheep, Swine, Meat Goats, Rabbits & Poultry. See Department rules for exceptions. Exhibitors with more than one entry in a class may have another 4-H exhibitor of the same age or younger show an animal.
15. All reasonable precautions will be taken for the safety of people while on the Fairground's property but the Fair Board Association will not be responsible for injury to any person.
16. Every animal and article upon the grounds will be under the control of the Fair Board Association, and while every precaution will be taken for the safekeeping of same, the Association will not be responsible for any damage or accident which may occur.

ENTRY Deadline June 1ST

IMPORTANT NOTE: 2021 WE ARE USING A NEW REGISTRATION SYSTEM THAT WILL REQUIRE ALL YOUTH TO UPLOAD REQUIRED PAPER WORK AT THE TIME OF REGISTRATION. PLEASE MAKE PLANS TO HAVE ALL REQUIRED PAPER WORK COMPLETED AT THE TIME OF REGISTRATION.  17. No companion animals allowed. Only animals entered and being shown are permitted on the fair grounds. Only Dogs entered in the Dog Show will be allowed on the Fairgrounds and only during the Dog Show. Service animals are permitted.
 18. The Fairgrounds will be closed to the public, vendors and exhibitors not authorized to remain overnight between 11pm and 6 am each night.
 19. Protests must be submitted in writing to a member of the Baltimore County 4-H Club Fair Association Board within 24 hours of the incident or appeal in dispute. The reason that prompted the complaint or appeal must be clearly stated and supported by fact. A fee of \$100.00 must accompany the complaint or appeal. The Fair Board will render a decision as soon as possible after receiving the protest. The fee will be returned if the decision is in favor of the complainant. The decision of the Board will be final.
 20. No skateboards, roller blades, scooters, skates or glass beverage containers are allowed on the Fairgrounds at any time.
 21. Overnight – Exhibitors & Adults: Objective of Staying Overnight: To reinforce the responsibility of animal care and ownership and to ensure the safety and health of animals in their respective area. Overnight is not intended as a social event.
 22. By signing up for the “overnight Department” the parents, guardians, or chaperones are agreeing to provide all oversight and responsibility to the youth under their care. In so doing so they indemnify the Baltimore County 4-h Fair & Associates from all legal repercussions, both criminal and civil.

VIOLATIONS: Any violation of the rules will be addressed to the Fair Board and may result in one or more of the following:

1. Member will be placed on probation for the duration of the Fair.
2. Member will be removed from activity or event.
3. Member will forfeit all ribbons, premiums, and trophies.

4. Member will be disqualified from the Fair.
5. Member will be disqualified from entering the Livestock Sale.

CHAPERONES:

1. There shall be a ratio of one adult for every three members regardless of members' ages.
2. All adult Chaperones must be UME approved volunteers.
3. Parents are welcome to stay with their own children, but cannot be responsible for other children if not a UME approved volunteer.
4. All UME Volunteers and Parents staying overnight must upload to the fair entry system by June 1 of the current year a completed Health Form and Adult Release Form.
5. Parents or emergency contact must remain available in the event a child must be sent home for any reason. The parent/child remains responsible for the welfare of their animal(s).
6. The Baltimore County 4-H Fair & Association, Inc. assumes no liability expressed or implied for the safety, health, or wellbeing of any youth at or overnighing at the Baltimore County 4-H Fair. It is the sole responsibility of the parent, guardian, or chaperone of any and all youth to provide and take responsibility for the safety, health, and wellbeing of any and all youth that they supervise throughout the duration of the Fair.

RULES OF CONDUCT FOR MEMBERS:

1. A curfew of 11:00 pm will be enforced. All members must be in their designated area by that time, and remain there until morning.

The Fair Oversight Committee will be established by the Board of Directors of the Baltimore County 4- H Fair Association. The committee shall have the authority to decide the following:

- Cases of alleged violations of the practices & procedures as defined in the MD 4-H Code of Animal Science Ethics.
- Cases of alleged rules and regulations violations and incidents involving alleged misconduct or unsportsmanlike behavior which are pertinent to the livestock and small animal shows and competitions held at and/or in connection with the Baltimore County 4-H Fair.

The Fair Oversight Committee will consist of five (5) members as follows:

Two (2) members shall be appointed from the Board of Directors of the Baltimore County 4-H Fair Association. Of these two members, one shall be the Fair Board President who shall be the Chairman of the Fair Oversight Committee and one shall be one other member of the Board.

Two (2) members shall be appointed from animal Departments of Beef, Dairy, Goats, Horse, Poultry, Rabbits, Sheep, Swine, Dogs and Cats. Members may not be from the same Department.

One (1) member shall be appointed from the Baltimore County 4-H Faculty (or their designated alternate). One alternate will be selected to replace any committee member when the violation/incident under review is either from the Department of the member or concerns a person related to the member.

A quorum of the Fair Oversight Committee will require three (3) of the five (5) appointed members to be present at convened meetings. Minutes shall be taken at all meetings of the Fair Oversight Committee and will become a permanent record of the business of the Fair Association. The minutes shall be given to and permanently kept by the current Secretary of the Board of Directors.

Violations of practices and procedures as defined in the MD 4-H Code of Animal Science Ethics will result in the following immediate actions carried out by the Fair Oversight Committee:

- Expulsion of the exhibitor as well as the animal(s) to be shown by the exhibitor in all 4-H/FFA shows and competitions at and/or in connection with the current Baltimore County 4-H Fair.
- Forfeiture of all Baltimore County 4-H Fair Premiums and awards given for Baltimore County 4-H Fair entries.

Baltimore County 4-H Fair Eligibility Requirement

To further achieve the goals of the Maryland 4-H Youth Development Program, the Baltimore County 4-H Fair Board has adopted an eligibility requirement for 4-H County Fair Exhibitors.

All 4-H youth, ages 8 to 18, who exhibit in the Baltimore County 4-H Fair are required to complete and submit to the Baltimore County 4-H Office one completed project record in order to be eligible to show at the 2020 Baltimore County 4-H Fair.

- All 4-H Horse exhibitors are required to complete the horse project as per Maryland State 4-H rule.
- All 4-H Livestock Sale participants are required to complete one project per species sold at auction per Livestock Sale rule #1.

Note: 4-H exhibitors who fulfill one or both of the above rule requirements meet the Fair Board's eligibility requirement.

- All non-horse/non-Livestock Sale 4-H exhibitors are required to complete at a minimum, one project record on a fair exhibit or competition (e.g., Bicycle contest) of their choice.
- All 4-H youth are encouraged to exceed the Fair Board's required 1 project completion by completing a Record Book or a Sr. Portfolio.

NOTE: Fair participation includes competitions held prior to the Fair including: Fashion Revue; Champion Chow, Public Speaking, Demonstration & Visual Presentation, and Marksmanship.

Project Record Completion Requirements

1. Complete the Project Record Form
2. Record project exhibits or competition
3. Give a project related demonstration or illustrated talk to an audience of 3 or more non-related people

2022 MARYLAND ANIMAL HEALTH FAIR AND SHOW REQUIREMENTS

Ref: COMAR 15.11.14.06

MDA Website: <http://mda.maryland.gov/AnimalHealth/Pages/default.aspx>

Effective: January 1, 2022

The Maryland Department of Agriculture's (MDA), Animal Health Program strives to safeguard Maryland's animal industries at our fairs and shows. With an increased potential of disease transmission occurring when large numbers of animals gather for exhibition, MDA has set forth requirements for exhibitors to follow at Maryland fairs and shows. As an exhibitor, you can help reduce the potential risk of introduction and spread of infectious and/or contagious diseases by following the species-specific health requirements below.

IMPORTANT 2022 ANIMAL HEALTH REQUIREMENTS TO MENTION:

1. CERTIFICATES OF VETERINARY INSPECTION (CVI)-

- The accredited veterinarian is required to send the original (white and canary) copies to MDA Headquarters within 7 days of completion,

2. LIVESTOCK-

- All cattle and swine must have an EID (electronic identification) or RFID (radio frequency identification) 840 tag. Cattle and swine with Non- electronic ID tags will be dismissed on entry.
- All Sheep and Goats must have Scrapie Identification in the form of an official Scrapie Identification tag, or legible and healed tattoo containing identification on breed registration paperwork
- Livestock petting zoos and pony rides will be allowed with proper CVI, indicating Rabies vaccination status, and self-certification documents.

3. POULTRY-AI TESTING

- All In- State poultry will require testing of birds within 30 days prior to the exhibition, or originate from an NPIP U.S. H5/H7 Avian Influenza Clean flock.
- All Out of state poultry will require testing of birds within 21 days prior to the exhibition, or originate from an NPIP U.S. H5/H7 Avian Influenza Clean flock.

Maryland Law provides penalties for violations of Animal Health Law and Regulations. LIVESTOCK AND POULTRY FAILING TO MEET COMPLETE DOCUMENTATION OF ALL REQUIREMENTS WILL BE DENIED ENTRY OR REMOVED FROM THE EXHIBITION -"REJECTED." SEE ANIMAL REJECTION POLICY UNDER GENERAL REQUIREMENTS FOR EXHIBITORS.

Maryland Department of Agriculture

REQUIREMENTS FOR SPONSORS OF A LIVESTOCK/POULTRY EXHIBITION (COMAR 15.11.14.05)

1. **Notification:** Exhibit sponsors must notify the Maryland Department of Agriculture (MDA), Animal Health Program Headquarters, 50 Harry S. Truman Parkway, Annapolis, MD 21401, of intent to sponsor an event that includes the exhibition of livestock or poultry no less than 30 days before the proposed event. Please fill out all information with contact correctly, to include a phone number and email address. Animal arrival times **MUST** be provided to ensure coverage for entry. Please call 410-841-5810 to request an **EXHIBITION NOTIFICATION** form or go to MDA's website: <http://mda.maryland.gov/animalhealth/pages/fairs-shows.aspx>
2. **Reporting:** Sponsors must report to the Department any animal from the exhibition suspected of having or showing obvious, apparent, or known signs of a contagious or infectious disease and/or deaths; and exclude from the exhibition premises any animals having obvious, apparent, or known signs of a contagious or infectious disease. A summary of all disease events shall be provided to MDA, in the form of an **ANIMAL INCIDENT REPORT**. Call 410-841-5810 to request an **ANIMAL INCIDENT REPORT FORM** or go to MDA's website: <http://mda.maryland.gov/AnimalHealth/Pages/Fairs-Shows.aspx>
3. **Records:** Exhibit sponsors must maintain a report of the owner, premises location and species of all animals attending the exhibition and provide this report upon request by MDA.
4. **Exemptions:** Exemptions of this regulation may be granted. (Refer to *COMAR 15.11.14.05*)

GENERAL REQUIREMENTS FOR EXHIBITORS OF ALL ANIMAL SPECIES (COMAR 15.11.14.04-06)

Exhibitors at state, county, and district fairs, along with other livestock exhibitions, expositions, rodeos, shows, and swap meets are required to comply with regulatory provisions of the State of Maryland relating to animal health as noted in COMAR 15.11.14.04-06. **Requirements Apply to All Livestock and Poultry:** Livestock is defined as those species of animals used for human food or fiber or those species of animals used for service to humans. This includes but is not limited to cattle, sheep, new world camelids (llamas & alpacas), goats, bison, privately owned cervids, swine, equine, and rabbits. Livestock does not include dogs, cats and exotic pets. Poultry is defined as any living domestic bird raised for food or other purposes including, but not limited to, chicken, turkeys, ostriches, emus, rheas, cassowaries, other ratites, waterfowl and game birds.

1. **DOCUMENTATION:** Documentation is required for entry of all livestock and poultry and is described below. Examples of forms can be obtained by visiting the Animal Health website at: <http://mda.maryland.gov/animalhealth/pages/fairs-shows.aspx>
For out of state animals, see species specific out of state requirements. Upon request, a person who exhibits livestock shall present for inspection all reports, test charts, and appropriate health certificates required to accompany the livestock and poultry.
2. **CERTIFICATE OF VETERINARY INSPECTION** is required for most entries.
 - a. **MARYLAND ENTRIES:** All Maryland entries must be accompanied by a Maryland Certificate of Veterinary Inspection (CVI) for show, except poultry, equine and rabbits.
 - The Maryland CVI is valid for 120 days for fairs and shows, providing that the status of the herd or animal(s) does not change.

Maryland Department of Agriculture

- The Maryland CVI is a legible record, made on an official Maryland State form, issued by a Maryland accredited veterinarian, issued for animals being shown within the state and not crossing a state line, which shows that the animals listed thereon meet the health requirements of the state of Maryland.
 - The Maryland CVI must be completed and signed by a Maryland accredited veterinarian using the proper selected report on the CVI form. Each animal must be properly identified on the CVI. The veterinarian must select if this document is for fair and exhibition season, sale or other (with explanation).
 - The veterinarian is required to send the original (white and canary) copies to MDA Headquarters within 7 days of completion, the middle (pink) transport copy is to be retained by the owner and should accompany livestock during travel. The last (goldenrod) copy is for the veterinarian's records.
 - **OUT-OF-STATE ENTRIES:** All out-of-state entries must be accompanied by an Interstate Certificate of Veterinary Inspection, except poultry and rabbits, require a CVI.
 - The Interstate CVI is valid for no more than 30 days from the date of inspection.
 - An Interstate CVI must be legible, made on an official form of the state of origin, issued by an accredited veterinarian, and issued for animals being imported to this state within 30 days before the entry of the animals, which shows that the animals listed thereon meet the health requirements of the state of Maryland.
3. **SELF CERTIFICATION:** A completed *Self Certification* is required for all entries except for equine entering equine only events.
Self Certification forms must be filled out within 24 hours prior to loading and presented upon request to the designated representative.
- A *Self Certification* is an official Maryland document signed by the owner/caretaker/transporter stating that the animals presented for exhibition are not showing any signs of, or having recent exposure to (within 21 days) infectious or contagious diseases.
 - *Self Certification* forms are species-specific for livestock (ruminants, swine), equine, poultry and rabbits.
- These forms are available on MDA's Animal Health website:
<http://mda.maryland.gov/animalhealth/pages/fairs-shows.aspx>
4. **TEST REPORT FORMS.** Testing is required for some species, and if so, a test report form will be required unless otherwise documented on the CVI. See species-specific requirements for details of testing and test report requirements.
- Examples of test reports are shown below:
- Avian Influenza Testing Report
 - Pullorum-Typhoid Testing Report
 - Coggins Test Report (Equine Infectious Anemia)
 - Tuberculosis Test Report
5. **MARYLAND POULTRY PREMISES IDENTIFICATION** – All Maryland premises with poultry are required to be registered with the Maryland Department of Agriculture. The Poultry Premises number must be noted on the Test Report or other documentation of NPIP U.S. Pullorum-Typhoid and U.S. H5/H7 Avian Influenza Clean or State H5/H7 Monitored status.

Maryland Department of Agriculture

6. **ANIMAL REJECTION POLICY.** Animals may be rejected from an exhibition, either denied entry or removed from the exhibition, as described below:
- FAILURE TO PROVIDE COMPLETED DOCUMENTATION IS GROUNDS FOR REJECTION.**
 - A SKIN LESION SUSPICIOUS OF RINGWORM TO BE CONSIDERED NO LONGER CONTAGIOUS TO OTHER ANIMALS OR PEOPLE, NEW WOOL OR HAIR MUST COMPLETELY COVER THAT LESION.**
 - Livestock with clinical signs of infectious or contagious diseases or external parasites are not permitted entry or allowed to remain at the exhibition. Clinical signs include but are not limited to: active lesions of ringworm with resulting loss of hair, sore mouth, sore nose, caseous lymphadenitis, prolapse, mange or multiple warts easily visible without close examination.
 - Suspicion of communicable disease is adequate grounds for rejection. Confirmed diagnosis is not required, since timely removal of suspicious animals is required by law to protect the remaining animals.
 - Exposed animals may be rejected: If it is believed that there is a potentially serious communicable disease present, all animals originating with the suspect animal may be rejected. Vesicular diseases are of particular concern.
 - All decisions are final.
 - All parties involved will be notified of all rejections, including exhibit sponsors and supervisors.
 - Animal rejections can be made by MDA Animal Health veterinarians or field inspectors, private veterinarians contracted by the show, Maryland Extension employees or individuals designated by the fair or show as a 'responsible person.'

SPECIES SPECIFIC REQUIREMENTS

In addition to the general requirements above, specific requirements by species are shown for the following species:

- | | |
|--|-------------------|
| • <u>Cattle</u> | • <u>Swine</u> |
| • <u>Sheep</u> | • <u>Goats</u> |
| • <u>Horses, Ponies, Mules and other Equidae</u> | • <u>Poultry</u> |
| • <u>Rabbits</u> | • <u>Camelids</u> |

Fair and Show Requirements: Cattle

ALL CATTLE

IDENTIFICATION: INDIVIDUAL IDENTIFICATION OF EACH ANIMAL SHALL BE AN RFID OFFICIAL EAR TAG.

Rodeo Cattle must have official individual ID that is recognized by the USDA. Rodeo Cattle are NOT allowed to commingle with any other cattle at the exhibition.

Maryland Cattle

Brucellosis: Maryland is a Bovine Brucellosis Class-Free State. Brucellosis testing is not required for Maryland cattle.

Tuberculosis: Maryland is an Accredited Tuberculosis-Free State. Tuberculin test is not required for Maryland cattle.

Immunization: Bovine Respiratory Complex is required on all Maryland cattle to include Bovine Respiratory Syncytial Virus, Bovine Viral Diarrhea, Infectious Bovine Rhinotracheitis and Parainfluenza. Leptospirosis vaccination is recommended.

Maryland Department of Agriculture

Out-of-State Cattle

Brucellosis:

1. Bovine Brucellosis Class Free State, Region or Zone
 - a. No brucellosis test required.
2. Non-Bovine Brucellosis Class Free State, Region or Zone
 - a. Official vaccines under 24 months old with vaccination dates recorded on the Interstate CVI permitted, or
 - b. Test negative within 30 days before entry.

Tuberculosis:

1. Accredited Tuberculosis Free States, Region or Zone
 - a. No tuberculin test required.
2. Modified Accredited Advanced or lower Tuberculosis Free Areas or States (Not TB Free)
 - a. All cattle over 6 months of age shall comply with the following:
 - i. Cattle must originate from a herd where a complete herd test was conducted within the past 12 months; progeny from such herds born since that test may be imported without a tuberculin test, or
 - ii. Any individual animal, over 6 months, entering Maryland must have a negative tuberculin test within 60 days before import.
 - b. Status of herd and area must be shown on certificate.

Fair and Show Requirements: Swine

ALL SWINE

IDENTIFICATION: INDIVIDUAL IDENTIFICATION OF EACH ANIMAL SHALL BE A RFID OFFICIAL EAR TAG.

Maryland Swine

Brucellosis: Maryland is a Brucellosis Class-Free State. Brucellosis testing is not required for Maryland swine.

Tuberculosis: Maryland is an Accredited Tuberculosis-Free State. Tuberculin test is not required for Maryland swine.

Immunization: Leptospirosis vaccination is recommended.

Out-of-State Swine

Brucellosis: All swine, except barrows, 6 months of age and older shall be negative to an official test for brucellosis within 30 days prior to exhibition entry, *or* originate directly from a validated brucellosis-free herd or brucellosis-free state.

Pseudorabies: Swine over 6 months of age shall be negative to an official test for Pseudorabies conducted within 30 days prior to exhibition entry, *or* originate immediately and directly from a qualified Pseudorabies negative herd or Stage 4 or Stage 5 Pseudorabies Free State.

Immunization: Leptospirosis vaccination is recommended.

Maryland Department of Agriculture

Fair and Show Requirements: Sheep and Goats

ALL SHEEP

Identification for Sheep: All sheep must be identified with USDA-approved Scrapie ear tags. Official identification for sheep includes the following:

1. USDA-approved Scrapie ear tags;
2. Legible registration tattoos, for which the breed registration paper shall contain the registry premises or flock tattoo prefix that is linked to the APHIS-assigned PIN and flock ID number of the flock of birth, if breed registry is approved by APHIS; or
3. Legible tattoos consisting of an individual animal number unique within the flock in one ear and the official scrapie premises identification number (flock ID) in the other ear, except where the tail web or flank may be used for earless animals or animals with damaged ears; must be accompanied by an owner statement.
4. A microchip ID with official scrapie identification is acceptable if the owner provides the reader.
5. RFID tags.

Further clarification on the Federal Scrapie Program can be found at:

<https://www.aphis.usda.gov/aphis/ourfocus/animalhealth/animal-disease-information/sheep-and-goat-health/national-scrapie-eradication-program/>

Out-of-State Sheep

No additional requirements.

Market Lambs

It is recommended that all lambs be slick shorn prior to entry for inspection for chub lamb fungus.

ALL GOATS

Identification for Goats: All goats must be officially scrapie-identified. Official identification for goats includes the following:

1. USDA-approved Scrapie ear tags;
2. Legible registration tattoos, for which the breed registration paper shall contain the registry premises or flock tattoo prefix that is linked to the APHIS-assigned PIN and flock ID number of the flock of birth, if breed registry is approved by APHIS; or
3. Legible tattoos consisting of an individual animal number unique within the flock in one ear and the official scrapie premises identification number (flock ID) in the other ear, except where the tail web or flank may be used for earless animals or animals with damaged ears; must be accompanied by an owner statement.
4. A microchip ID with official scrapie identification is acceptable if the owner provides the reader.
5. RFID tags

Maryland Department of Agriculture

Maryland Goats

Brucellosis: Maryland is a Brucellosis Class-Free State. Brucellosis testing is not required for Maryland goats.

Tuberculosis: Maryland is an Accredited Tuberculosis-Free State. Tuberculin test is not required for Maryland goats.

Out-of-State Goats

Tuberculosis:

1. Accredited Tuberculosis Free States, Region or Zone: No tuberculin test required.
2. Modified Accredited Advanced or lower Tuberculosis Free Areas or States (Not TB Free)
 - a. All goats over 6 months of age shall comply with the following:
 - i. Goats must originate from herds in which all animals are tested negative within past 12 months; progeny from such herds born since that test, may be imported without a tuberculin test, or
 - ii. Any individual animal entering Maryland must have a negative tuberculin test within 60 days before import.
 - b. Status of herd and area must be shown on certificate.

Fair and Show Requirements: Horses, Ponies, Mules and Other Equidae

ALL EQUINE

Identification: Individual official identification shall include the following as applicable: EIA test report with photo or drawing of the animal, tattoo, brand or microchip. *Animals using tattoos or brands for official identification must be accompanied with the breed registration papers.*

Equine Infectious Anemia (Coggins) Testing: All equine for exhibition shall be accompanied by a valid Coggins Test done within 12 months prior to exhibition entry.

Self Certification Requirement and Exemption: *Exhibitor's Self Certification of Animal Health* is required for each equine entering a fair/show-type event where multiple livestock species are present. The form must be available for inspection if requested. Those participating in equine-only shows and events are exempt from this requirement; however, it is good practice to thoroughly double check the health and skin condition of the animal before departing for the event. The form provides an easy checklist to do this. Exhibitors may not bring an animal having apparent or known signs of a contagious or infectious disease to a show.

Maryland Equine

1. All horses and other equidae, 9 months of age and older, shall be accompanied by a negative test for equine infectious anemia (EIA) made within the 12 months before the date of the event. A copy of this test shall accompany every animal.
2. A Maryland CVI is not required for Maryland equine.

Out-of-State Equine

1. All horses and other equidae, 9 months of age and older, shall be accompanied by a negative test for equine infectious anemia (EIA) made within the 12 months before the date of the event. A copy of this test shall accompany every animal.
2. All horses and other equidae shall be accompanied by a CVI issued within 30 days prior to entry.
An

Maryland Department of Agriculture

Interstate CVI must be legible, made on an official form from the state of origin, issued by an accredited veterinarian, and issued for animals being imported to this state within 30 days before the entry of the animals, which shows that the animals listed thereon meet the health requirements of the state of Maryland.

Fair and Show Requirements: Poultry

ALL POULTRY

1. PRIVATE SALES WILL BE ALLOWED WITH PROPER DOCUMENTATION OF THE SALE BY THE EXHIBITION SPONSOR AND MAINTAINED FOR ONE YEAR.
2. IDENTIFICATION: Poultry entering an exhibition shall be identified with a numbered leg or wing band.
3. ALL POULTRY EXHIBITORS SHALL COMPLETE A *POULTRY EXHIBITOR'S SELF-CERTIFICATION OF ANIMAL HEALTH*.
4. DOCUMENTATION of test results must be provided on MDA-E06 and MDA-E20, VS Form 9-2, VS Form 9-3 or comparable form approved by the State Veterinarian.

Maryland Poultry

1. **Premises Registration:** All poultry exhibitors originating from Maryland must have valid proof of a registered Maryland Poultry Premises ID Number.
2. **AI Testing Requirements** of poultry including wild birds except pigeons and doves shown at public exhibitions in this state shall meet one of the following AI testing requirements:
 - i. Originate directly from an NPIP U.S. H5/H7 Avian Influenza Clean Flock as defined in Title 9 of the Code of Federal Regulations, or from a State Avian Influenza Monitored Flock as defined by the state of origin, OR
 - ii. Have a negative Avian Influenza test conducted on at least **15 birds** from their flock (**or complete flock if fewer than 15**) within **30 days** prior to event and remain segregated from all birds of unknown or positive Avian Influenza test status.
3. **Salmonella Pullorum-Typhoid Testing Requirements:** All poultry except waterfowl, wild birds, pigeons and doves shown at public exhibitions in this state shall meet one or more of the following requirements:
 - i. Originate directly from an NPIP U.S. Pullorum-Typhoid Clean flock as defined in Title 9 of the Code of Federal Regulations (and there was no break in the chain of ownership by NPIP participants), OR
 - ii. Have a negative official test for Salmonella Pullorum-Typhoid within 90 days before fair, exhibitions, exposition, or show facility and remain segregated from all poultry of unknown or positive Salmonella Pullorum-Typhoid test status.

Out-of-State Poultry

1. **AI Testing Requirements** of poultry including wild birds except pigeons and doves shown at public exhibitions in this state shall meet one of the following AI testing requirements:
 - i. Originate directly from an NPIP U.S. H5/H7 Avian Influenza Clean Flock as defined in Title 9 of the Code of Federal Regulations, or from a State Avian Influenza Monitored Flock as defined by the state of origin, OR
 - ii. Have a negative Avian Influenza test conducted on at least **30 birds** from their flock (**or complete flock if fewer than 30**) within **21 days** prior to event and remain segregated from all birds of unknown or positive Avian Influenza test status.
2. **Salmonella Pullorum-Typhoid Testing Requirements:** All poultry except waterfowl, wild birds, pigeons and doves shown at public exhibitions in this state shall meet one or more of the following requirements:

Maryland Department of Agriculture

- i. Originate directly from a U.S. Pullorum-Typhoid Clean flock as defined in Title 9 of the Code of Federal Regulations (and there was no break in the chain of ownership by NPIP participants),
OR
- ii. Have a negative official test for Salmonella Pullorum-Typhoid within 90 days before fair, exhibitions, exposition, or show facility and remain segregated from all poultry of unknown or positive Salmonella Pullorum-Typhoid test status.

Fair and Show Requirements: Rabbits

ALL RABBITS

1. See Rabbit Waiver: Rabbits are not required to have a Certificate of Veterinary Inspection.
2. Identification: Individual identification of each animal shall be a tag, tattoo or microchip if the exhibitor provides the reader.
3. All rabbits for exhibition shall complete a *Rabbit Exhibitor's Self Certification of Animal Health*.

Maryland and Out-of-State Rabbits

No additional requirements.

Fair and Show Requirements: Camelids

ALL CAMELIDS

Identification: Individual identification of each animal shall be an official metal ear tag or microchip if the exhibitor provides the reader.

Maryland Camelids

Brucellosis: Brucellosis testing is not required for Maryland camelids. Tuberculosis: Tuberculin test is not required for Maryland camelids.

Out-Of-State Camelids

Brucellosis: Brucellosis testing is not required for out-of-state camelids.

Tuberculosis:

1. Accredited Tuberculosis Free States, Region or Zone
 - a. No tuberculin test required.
2. Modified Accredited Advanced or lower Tuberculosis Free Areas or States (Not TB Free)
 - a. All camelids over 6 months of age shall comply with the following:
 - i. Camelids must originate from a herd not under restriction or quarantine for tuberculosis and from which a complete herd test was conducted within the past 12 months; progeny from such herds born since that test may be imported without a tuberculin test, or
 - ii. Any individual animal, over 6 months, entering Maryland must have a negative tuberculin test within 60 days before import.
 - b. Status of herd and area must be shown on certificate.

University of Maryland Extension (UME) 4-H Code of Animal Science Ethics

University of Maryland Extension (UME) 4-H Code of Animal Science Ethics

4-H members enrolled in animal science projects (e.g., beef, camelids, dairy, dog, goat, horse, poultry, rabbit, sheep, small pet, and swine) shall, at all times, conduct themselves with honesty and good sportsmanship, including while with their projects and at all 4-H animal science activities and events. Their conduct should always reflect the highest standards of honor and dignity to promote the advancement of 4-H and its animal science program. 4-H members, as well as parents, UME volunteers and others working with them, are under an affirmative responsibility to do more than avoid improper conduct or questionable acts; and their conduct and values must serve as a positive influence on others.

This Code of Ethics applies to all 4-H members who are enrolled in animal science projects, and to others (4-Hers, parents, volunteers, owners, etc.) who participate in the animal science program; and it covers daily animal care, as well as participation in competition and other 4-H animal activities and events.

4-H members and others who violate this Code of Ethics demean the integrity of 4-H and its animal science program. 4-H members who violate the code of animal science ethics are subject to sanctions including, but not limited to, forfeiture of premiums, awards, and/or auction proceeds and may be prohibited from participation in 4-H or 4-H/UME events or activities; other violators may also be subject to sanction, as appropriate. Infractions may be reviewed by 4-H and/or UME (on the local or state level, as appropriate to the infraction and to the event and/or activity in question), and/or may be subject to a fair oversight committee or other entity that oversees an activity or event. In addition, some acts may also be subject to review based upon the Maryland 4-H Youth Code of Conduct and/or other UME policies.

The following is a list of standards and requirements for all 4-H animal science projects, at all times, whether at home, at animal exhibitions or events, or any other 4-H event or activity.

1. The care of all 4-H project animals is the responsibility of the 4-H member. 4-H members must properly care for and groom their animals for the duration of their project.
2. All project animals must be housed at the 4-H member's residence unless a different location is submitted to and approved in writing by the local 4-H staff. Any change in location must be approved in writing by the local 4-H staff; however, it is not necessary to report direct transport to and from shows or other events.
3. Upon request of 4-H, UME, or other program, fair, event or animal officials, 4-H members must present proof of ownership, length of ownership, identity and/or age of all 4-H project animals owned or leased. Misrepresentation of ownership, age, or identity of animal, or any facts relating thereto is prohibited. If a 4-H project animal is sold in a livestock sale, it is no longer eligible to be shown in a 4-H event in Maryland in that year.
4. 4-H members must provide appropriate animal health certificates upon request of 4-H, UME, or other program, fair, event or animal officials.
5. 4-H project animals must be presented to competition, activities and/or events, where they will enter the food chain, free of volatile drug residues. Animals which are presented to competition, events and/or activities that do not culminate with the animal entering the food chain, shall not be administered drugs other than in accordance with applicable federal, state, and local laws, regulations and rules. 4-H project animals shall not be exhibited if drugs administered in accordance with federal, state, and local regulations and rules may affect the animal's performance or appearance at the event. At any time after an animal arrives on a fair or other 4-H activity or event premises, a licensed veterinarian must administer or, in consultation with fair, event, UME, or 4-H officials, direct the administration of any treatments involving the use of drugs and/or medications. Drenching at any time after an animal arrives on a fair or other 4-H activity or event premises is prohibited, except when performed or directed by a licensed veterinarian in consultation with fair, event, UME, or 4-H officials for the sole purpose of protecting the health of the animal.
6. The act of enrolling in a 4-H animal science project, and/or entering a project animal in a 4-H competition, show, activity, or other event, gives consent for 4-H or UME or event authorities to obtain any specimens of urine, saliva, blood, hair, tissue, or other substance from the animal to be used for testing purposes including, but not limited to, drugs or identification. It is presumed that the

sample of urine, saliva, blood or other substance tested by the approved laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved, and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the 4-H owner to prove otherwise at any review in regard to the matter conducted by a fair or other event or the 4-H program. If the laboratory report on the chemical analysis of saliva, urine, blood, hair, tissue or other sample, taken from a 4-H animal science project, indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally.

7. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counter irritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

8. Using ice, ice packs, cold packs, or cold compresses, internally or externally, other than those prescribed to relieve heat stress or a medical condition as diagnosed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

9. The use of showing and/or handling practices or devices, such as striking animals to cause swelling, using electrical devices, or other similar practices, are not acceptable and are prohibited.

10. All judges, fair and event officials and/or UME/4-H staff and volunteers shall be treated with courtesy, cooperation, and respect, and no person shall direct abusive or threatening conduct toward them or toward exhibitors or others participating in the activity. In addition, direct criticism or interference with a judge, fair, show or event official, exhibitor, breed representative, or UME/4-H staff or volunteer before, during, or after an event or other activity is prohibited.

11. No one shall violate this Code of Animal Science Ethics or conspire with another person or persons to intentionally violate this Code of Ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this Code of Ethics.

12. The application of this Code of Ethics provides for absolute responsibility for an animal's condition to the 4-H member whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this Code of Ethics.

13. By enrolling in an animal science project and/or entering an animal in a fair or other 4-H event or activity, the 4-H member, and his/her parent or guardian, consent to have disciplinary action taken by appropriate authorities (including UME, 4-H, fair, event and/or other activity officials) for violation of this Code of Animal Science Ethics and/or any other applicable rules of UME, 4-H, a fair, activity or other event, without recourse against UME, 4-H and/or other authorities. In addition, the 4-H member, and his/her parent or guardian, further understand and agree that any action which contravenes these rules, and is also in violation of federal, state, or local laws, statutes, regulations, or rules, may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

Note: By signing this form the 4-H member and his/her parent or guardian each verify that they have read and understand the UME 4-H Code of Animal Science Ethics and the consequences of and penalties provided for violations of the Code.

4-H ANIMAL SCIENCE PROJECT ENROLLMENT STATEMENT

I have read and understand the UME 4-H Code of Animal Science Ethics, and I consent and agree to abide by the UME 4-H Code of Animal Science Ethics. I understand this Statement must be signed by both the 4-H member and his/her parent or guardian, will be kept on file in the local 4-H office, and will apply to all 4-H animal science activities and events. I understand that if I do not agree to or sign this Code, I/my 4-H youth may not be eligible to enroll in a 4-H animal science project, may not receive associated materials, and/or may not be allowed exhibit or participate in covered activities.

SPECIFIC RULES:

1. Exhibitors must comply with Department Rules and Regulations.
2. Exhibits must be constructed or developed by exhibitor in the current year. No Repeat Entries.
3. Entries will be accepted and returned in accordance with the published fair schedule.

Rules for All Classes - EXCEPT Woodworking, Metalworking, and Electrical

Use Project Guides for exhibiting information.

1. Where exhibits are the result of self-directed projects, include a brief description of how the exhibitor developed the project, from original idea to the finished project.
2. Where collections are made up of a number of specimens, the minimum number for a County 4-H Fair exhibit will be 10, except for Insect Collection, which will have at least 15 specimens. Refer to the State Fair for rules concerning various collections, so while preparing for exhibition in the County Fair, exhibitor may plan to meet State Fair requirements to have a qualified entry at the State Fair. Follow Project Guides wherever possible.
3. Exhibits must have a statement of the intended purpose of the exhibit and should be accompanied by schematics or diagrams where necessary to show how the exhibit relates to the Science area in which it is entered.
4. Display exhibits should be self-explanatory.

Rules for Woodworking, Metalworking and Electrical Classes

1. Use Project Guides for exhibiting information.
2. Each article must be accompanied by the plans, blueprints, working drawings, sketches, etc., used for construction. Include a statement as to the intended use of the article. These items should be placed in an envelope and fastened securely to the exhibit by string or tape.
3. If items were made in a shop class at school (no plans given out), make your own set & include a statement as above.
4. Birdhouses with perches attract unwanted, nonnative birds, not native birds such as blue birds. Therefore birdhouses should be made without perches.

Computer technology exhibits will be judged as soon as possible after entry, and may be removed by the exhibitor at any time after judging. Superintendent's initials must appear on exhibitor's copy of his/her entry form.

Showmanship Showdown

Top showman in each species will compete in the Showmanship Showdown

General Rules: The Showmanship Showdown Contest provides an opportunity for the Grand Champions from the 4-H divisions of the large animal species (beef, dairy, sheep, goats and swine) to compete head to head for the best all-around senior showman honors at the Fair. In this contest, each contestant will rotate from station to station, while being judged on their showmanship skills with each species of animal. The judge will use a numerical scoring system to evaluate each individual at each station, with the winner determined by the total score.

Who is eligible: The Grand Champion from the 4-H divisions of beef, dairy, sheep, meat goat, dairy goat and swine. In the event that a person wins the grand showmanship contest in more than one species in a given year, they will be entered into the Showmanship Contest in the first species that they qualified in. Animals to be used: Contestants will bring the animal they qualified with back for the showmanship show down. These animals will be used by all contestants as they rotate from species to species. In the rotation, the champion showman will always rotate to the champion showman's animal. Individuals are eligible to win more than once.

Score Sheets: Each individual will begin with the specie that they qualified with and then rotate to the other three species. In all four rotations, contestants will be asked 3 questions (2 points each) and awarded

4 points on how they handle and present the respective specie. This represents 40 possible points. During the first go around an additional 10 points will be awarded on how the contestant presents their own animal (i.e. fitting, grooming, cleanliness, etc.). A total of 50 points will be awarded. Awards: Ribbons will be presented to the participants of the Showmanship contest, but no premiums will be awarded. A 4-H youth is eligible to receive the award once in their 4-H career.

Past Showmanship Showdown Winners:

The Purebred Dairy Cattle Association Show Ring Code of Ethics

Adopted May 5, 2015

The showing of registered dairy cattle stimulates and sustains interest in the breeding of registered dairy cattle. It is also an important part of the promotion, merchandising and breeding program of many breeders. For these reasons, the Purebred Dairy Cattle Association (PDCA) believes that it is in the best interest of all breeders of registered dairy cattle to maintain a reputation of integrity in dairy cattle shows and to present a wholesome and progressive image of dairy cattle in the show ring.

PDCA endorses this Show Ring Code of Ethics for all dairy breed shows and pledges its full cooperative support for its enforcement to show management, show judges, and the national breed associations.

The application of this Code of Ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this Code of Ethics. Dairy cattle exhibitors shall, at all times, deport themselves with honesty and good sportsmanship.

It is recognized that there are certain practices in the proper care and management of dairy cattle that are necessary in the course of moving dairy cattle to and between shows that are advisable to keep them in a sound, healthy state so they might be presented in the show ring in a natural, normal condition. At all times, exhibition livestock shall be treated in a humane manner and in accordance with dairy quality assurance practices so as to protect the health, safety and welfare of the livestock and the consuming public. No person shall present for exhibition or exhibit an animal which he or she knows, or has reason to suspect, is affected with or has been exposed to a dangerously contagious or infectious disease, or illegal or non- approved use of drugs, medication and/or prohibited substance, or residue.

The position of the Purebred Dairy Cattle Association is that all animals presented for exhibition shall be in their natural conformation and structure, free of any alteration or modification by injection or internal or external administration of any substance or by any involvement in unethical fitting. Grooming and Preparation Dairy cattle exhibitions are conducted under standards for evaluating conformation established by the PDCA Unified Score Card (2009), with specific breed characteristics taken into consideration by the show judge. In this connection, animals will be groomed and prepared for the judge's evaluation in order to display the animal's natural contour, conformation, performance and mobility. Specifically:

1. Changing the natural color of the animal is prohibited (effective 6/1/2015). However, external applications of cosmetics that affect only appearance may be used, including by way of example hoof polishes and false switches.
2. The maximum allowable length of naturally growing hair anywhere on the topline is not to exceed 1". Exhibitors will be required to comply with this rule before the animal is allowed to enter the ring.
3. Addition of foreign objects, including but not limited to hair or hair substitutes, cloth or fiber, to change the natural contour or appearance of the animal's body is prohibited.
4. Externally sealing the teat end with a preparation that does not harm the animal's skin is permissible. Natural teat placement will be given preference over artificially positioned teats.

Violations: False, Deceptive or Unacceptable Practices

These practices are violations of the Code of Ethics and will be reported to show management and may be reported to the respective national breed associations:

1. Misrepresenting the age and/or milking status of the animal for the class in which it is shown.
2. Treating the animal, particularly the udder, internally or externally:
 - a. with an irritant or counter-irritant,
 - b. using a device to artificially create or enhance the udder crease,
 - c. using other substances as detected by testing that causes changes in the udder to artificially improve the conformation.
 - d. plugging of teat canal with foreign substances.
 - e. Surgical or unethical insertion of any matter under the skin or into body cavities, performed to change the natural contour or appearance of the animal's body (e.g., administration of fluid via a stomach tube or other similar apparatus to fill the rumen), though not to preclude practices required or involved in normal management.
3. Criticizing or interfering with the judge, show management or other exhibitors while in the show ring or other conduct detrimental to the breed or the show.

4. Challenging, threatening or interfering with an ethics committee appointed by show management to monitor the animals on exhibit on the show grounds.

Exhibitor Responsibility

The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter and/or absolutely responsible person (hereinafter referred to as “Exhibitor”) for show management to obtain any specimens of urine, saliva, blood, milk, or other substances from the animal to be used in testing. Materials may also be collected by ultrasound and photographic methods and by direct examination of animal. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter and/or absolutely responsible person (the “Exhibitor”) to have disciplinary action for violation of this Show Ring Code of Ethics taken by show management, the state in which the show occurs, and/or the national dairy breed association without recourse.

Show Ethics Committee

Each show should have an Ethics Committee. The make-up of this committee should include official breed representatives, representative(s) of show management (e.g., dairy cattle show superintendent, General Manager), the official show veterinarian, and Extension representative. The Ethics Committee will be responsible for monitoring violations of the Show Ring Code of Ethics. The Ethics Committee will investigate the report of any violation and determine the accuracy of the allegation. The Ethics Committee will have the authority to inspect animals and related material to determine if violations have occurred.

Violations: Reporting and Investigation

Complaints of alleged violations can be reported to the breed superintendent, the show superintendent, show management, and/or the Ethics Committee.

Before An Animal is Shown

If the Ethics Committee suspects that a violation of the Show Ring Code of Ethics will occur if the animal is shown, and that violation is reasonably well established before the animal is shown, the Ethics Committee will submit a report to show management. Show management will discuss the violation with the Exhibitor:

1. If, at the Exhibitor’s discretion, the animal in question is not shown, no violation will have occurred.
2. If the Exhibitor wishes to challenge that a violation occurred, he/she/they will have opportunity to appeal to the Ethics Committee. If its decision is not changed, the Exhibitor will be denied opportunity to exhibit the animal in question.

During and After an Animal is Shown

All animals are subject to examination during judging. The judge and Ethics Committee are instructed to examine the top five (5) animals in each class closely for violations of the Show Ring Code of Ethics.

When a violation may have occurred, a milk out may be called for. This call may be by breed association rule, or by request of an authorized representative of the national breed association, the judge, the Ethics Committee, or show management.

If an animal is exhibited and a violation of the Show Ring Code of Ethics is subsequently suspected, investigated, and determined to have occurred, the violation will be reported to the Ethics Committee and show management for action. The Exhibitor will be notified of the violation and the supporting evidence and invited to defend or explain the allegations. Violations are subject to the disciplinary provisions of show management, the state in which the show occurs, and the national dairy breed association. Sanctions may include any one, or combination of the following:

1. forfeiture or return of awards, prizes, premiums or proceeds;
2. written letter of reprimand to the owner, exhibitor, fitter and/or absolutely responsible person (the “Exhibitor”);
3. disqualification of the exhibition livestock from an exhibition;
4. Disqualification of the Exhibitor from the show; publication of offense.

Disqualification may include any or all shows and classes and may be for any number of years.

History: Adopted by PDCA in March 1969, revised March 1971, February 1977, February 1981, February 1986, February 1988, February 1989, February 1992, February 1993, November 1995, April 2002; April 2004, May 2015.

NO SALE OR ADVERTISEMENT OF ANIMALS PERMITTED EXCEPT THROUGH THE LIVESTOCK SALE.

Baltimore County 4-H livestock auction

Saturday

Buyers Reception 6:00 pm

Livestock Sale at 6:45 pm

The following rules will apply:

1. To be eligible to participate in the County 4-H Livestock Sale, sale participants must have completed and submitted to the County 4-H Office, a 4-H Project Record on their market livestock project(s) sold at the previous year's sale. Failure to submit project records will result in ineligibility for the current sale.
 - a) **Exception:** If this is the first year in which the 4H-er is completing a livestock project then the youth is permitted to sell the animal with the understanding that participation in future sales are contingent on project record completion and submission of their market livestock project record books to the extension office.
2. Exhibitors are expected to present their animal for sale during the Auction. Exhibitors can contact the Sale Committee for questions.
3. All Exhibitors must wear appropriate species show clothes.
4. A Selection Committee will review Grand Champion and Reserve Grand Champion animals and all animals nominated by exhibitors for sale and determine which will be sold in the sale. The Committee's decision will be final. The Selection Committee will consist of the Judge, a representative of Extension, and one member of the Sale Committee. The Department Superintendent will facilitate the Selection Committee's decision process.
5. Fees (commission) will be deducted from sale checks according to the following rates: Rabbits \$2.00 – Turkeys \$2.00 - Goats \$3.00 – Sheep \$4.00 – Hogs \$6.00 – Cattle \$12.00.
6. Each seller of beef and dairy steers will have the \$1.00 mandatory check-off deducted from each animal sold. This money, by law, is sent to the National Beef Council and is used to promote sales of beef on the retail level.
7. Each seller of a hog will have .0040% of the selling price deducted from each animal sold for the pork check-off. This money, by law, is sent to the National Pork Council and is used to promote sales of pork on the retail level. Example: 250 lb. @ \$1.00 lb. = \$250.00 x .0040 = \$1.00.
8. Each seller of a Lamb will have \$.007 per pound plus a \$.42 per head processor fee deducted for the lamb check-off. This money, by law, is sent to the Lamb Check-off Board. Example: 110 lb. @ .007 - \$.55 + \$.42 Total - \$.85.
9. The Grand Champion and Reserve Grand Champion of each species must grade and be sold through the sale with the exception of steers, whereby the exhibitor may elect not to sell the Reserve Grand Champion. In lieu of the commission fee, 4% of the sale price of the Grand Champion and Reserve Grand Champion will be deducted from the sale check.
10. Each exhibitor may sell a maximum of ONE animal of each species. Beef and Dairy steers, Goats, Swine and Sheep must make grade by the selection committee. The Sale will sell a maximum of: 20 Beef Steers; 20 Dairy Steers; 25 Lambs; 75 Hogs; 20 Goats; and 1 pen of Rabbits. Note: If fewer animals are nominated for the Sale than the limit indicated above for any species, exhibitors can nominate an additional animal in that species for a lottery drawing process to fill the vacant slots for that species.
11. The exhibitors of Grand Champion and Reserve Grand Champion animals and exhibitors who want to nominate a Beef Steer, Dairy Steer, Goat, Lamb or Hog for the Sale, which meet the weight requirements during weigh-in, will be required to bring the animal(s) to the show ring following the respective Show. Selection Committee will grade the animals. At that time, a final determination will be made of those eligible for the sale.
12. Beef, Dairy Steers, Goats, Sheep, and Swine eligible for sale must display the proper farm and Maryland 4- H Market Livestock Ear Tags. Lamancha Goats will be tattooed into the tail web and 4-H youths given the tag. To be eligible for the sale, all livestock must meet the fitting requirements of their respective show.

13. Rabbit Meat Pens shall consist of three rabbits, all the same breed and variety, age limit not over ten weeks, weight not over 5 lbs. per rabbit. The 4-H youth must provide a box with food and water containers for the buyer.
14. Stamped "Thank You" notes from the seller to the buyer must be approved and in the committee's possession before the check for the livestock will be mailed out. An orientation to discuss requirements will be held prior to the Sale.
15. Show weight and sale weight will be the same and will be determined prior to the show.
16. The sale will be held in the Swine Ring. The Committee will not handle private treaty sales.
17. Exhibitors have a responsibility and are encouraged to recruit several buyers for the sale. Sale Committee is not responsible for obtaining buyers for animals entered into the sale.
18. Minimum and maximum Sale weights for each species shall be: (5 lb. tolerance)

Beef Steers	1,100 – 1,400 lbs. (with a 25 pound tolerance on the top end only)
Dairy Steers	1,000 – 1,500 lbs. (with a 25 pound tolerance on the top end only)
Lambs	90- 150 (5 pound tolerance both ends)
Hogs	230 - 280 lbs. (5 pound tolerance both ends)
Goats	75- 120 lbs. (5 pound tolerance both ends)
Rabbits 3 @	2 – 5 lbs. (no tolerance)
Turkeys – Hens	18 lbs. minimum (no tolerance)
Turkeys-Toms	22 lbs. minimum (no tolerance)

19. Rabbits will be sold by the pen and goats and turkeys by the head, not by the pound.
20. Weigh master must turn in weight tickets at least 1 hour before the sale to the sale chairperson.
21. Animals which do not meet the sale's weight requirements will not be sold.
22. The Baltimore County 4-H Livestock Sale Committee will not be liable for any sale animal after the sale.
23. The 4-H leasing program is for breeding animals only!
24. In the event that a carcass of a livestock sale animal is condemned by the USDA inspectors, within five working days of the sale, the buyer will be given a choice of a full refund of the sale price or replacement of an equal quality and weight animal of the respective species, buy the exhibitor.
25. All livestock sold during the auction and not removed from the grounds on Saturday night, must be cared for by the Exhibitor following the Sale until Sunday noon or until the animal is released from the Fairgrounds. Check with the person who releases animals for the Sale for any other arrangements.
26. Approaching the buyer of your animal before or after the sale to switch an animal s/he has purchased is not allowed. This is a terminal sale – no animal that goes through the sale can be shown at any other 4-H or FFA show.

Proposed Premiums: \$14.00 per animal shown

SPECIFIC RULES:

ALL GOATS

Identification for Goats: All goats must be officially scrapie-identified. Official identification for goats includes the following:

USDA-approved Scrapie ear tags;

- a) Legible registration tattoos, for which the registration paper shall accompany the animals; or
- b) Legible tattoos consisting of an individual animal number unique within the flock in one ear and the official scrapie premises identification number (flock ID) in the other ear, except that the tail web or flank may be used for earless animals or animals with damaged ears and must be accompanied by an owner statement.
- c) A microchip ID with official scrapie identification is acceptable if the owner provides the reader.

Maryland Goats

- **Brucellosis:** Maryland is a Brucellosis Class-Free State. Brucellosis testing is not required for Maryland goats.
- **Tuberculosis:** Maryland is an Accredited Tuberculosis-Free State. Tuberculin test is not required for Maryland goats.

Out-of-State Goats

Tuberculosis:

1. Accredited Tuberculosis Free States, Region or Zone: No tuberculin test required.
2. Modified Accredited Advanced or lower Tuberculosis Free Areas or States (Not TB Free)
3. All goats over 6 months of age shall comply with the following:
 - a. Goats must originate from herds in which all animals are tested negative within past 12 months; progeny from such herds born since that test, may be imported without a tuberculin test, **or**
 - b. Any individual animal entering Maryland must have a negative tuberculin test within 60 days before import.
4. Status of herd and area must be shown on certificate.

DEPARTMENT RULES:

1. Note: All entries are subject to Health Regulations for Livestock Exhibited in Maryland. Exhibitors must comply with all General Rules and Regulations and all Livestock Department Rules and Regulations.
2. Show Attire: 4-H exhibitors must wear approved uniforms at all times while in show ring, as clearly stated in the General Rules& Regulations.
3. A \$2.00 fee will be assessed for each animal entered. Non- Refundable Fees Must Be Mailed TO Baltimore County 4H Fair, INC. Attention: Registration P.O. Box 1008 Sparks, MD 21152 by June 1st. This fee is separate from the tagging fee assessed by the MD 4-H Program to purchase the animal ear tag.
4. Market goats must be owned & registered with the County Extension Office by May 1 of the current year.
5. Market goats and commercial does and bucks must be tagged with a MD 4-H Livestock tag prior to arrival at Fair.

6. All goats must be officially scrapie identified, tag or a READABLE TATTOO. Any goat not scrapie identified or with a tattoo that is not clearly readable will not be accepted for entry in the Fair.
7. Meat goats will be allowed to have horns. Horns should be tipped blunt. Blunting (also called tipping) simply means removing the pointy tip of the horn.
8. Breeding classes will be divided according to the age of the animal.
9. All exhibits must be in place on Wednesday by 9:00pm.
10. Animal Exhibitors must have registration and health papers available at all times.
11. ALL REQUIRED EAR TAGS (farm tag, 4-H tag, RFID tag, scrapie tag) MUST BE IN PLACE PRIOR TO ARRIVAL AT THE FAIR GROUNDS. Animals without required tags upon arrival to the Fair Grounds will not be permitted on the grounds. In the event that any animal loses the tag prior to the Fair, the 4-H Extension Educator must be notified immediately.
12. All goats are required to have appropriate scrapie identification.
13. Exhibitors are allowed to enter four market goats, Section B, and two Breeding animals in each class, Sections C and D.
14. Goats in Pair Class 2206 must be shown in Class 2205
15. A goat cannot be entered in both a breeding and market class.
16. Exhibitors are permitted to substitute one animal for another in the same class.
17. Market goats must weigh a minimum of 50 lbs. and will be shown by weight.
18. Only wether & doe kids can be shown in market classes.
19. Market goats must be less than one year in age & have their milk teeth & may not show any breaking or eruption of either of the two permanent front teeth.
20. Market Goats must be shown uniformly body clipped, no more than 3/8" long above the knees & hocks.
21. All wether kids must be completely healed. At the superintendents' discretion, wether kids showing signs of testicle presence will be examined further to determine eligibility.
22. All 1st & 2nd place Market Animals must be presented for selection of Grand & Reserve Grand Champions.
23. All animals must remain on the grounds until the prescribed release time. If animals are removed early, exhibitor will forfeit all premiums and ribbons.
24. Animals are to be kept in their pens or designated areas at all times except for show time. Animals should never be walked in other areas of the barns or Fairgrounds. This is for the safety of the General Public and the animal.
25. Grand Champion and Reserve Grand Champion market goats must grade & be sold at the Livestock Sale. Animals must meet quality standards & will be graded by the Grading Committee.
26. All Market goat exhibitors who sell in Livestock Sale must comply with the Livestock Sale rules. Only Market Goats exhibited in the market goat show may sell if they meet quality standards as determined by Grading Committee.
27. Market Goats eligible for the sale require a 4-H ear tag. Lamancha goats will have the 4-H ear tag number tattooed into the tail web. The 4-H youth must have the tag in their possession.

ALL RABBITS

All rabbits for exhibition shall complete a Rabbit Exhibitor's Self Certification of Animal Health. All rabbits at the fair must be pre-registered and entered into the fair.

2020 Rabbit Judge: Wayne Sanders

SPECIFIC RULES:

1. Note: All entries are subject to Health Regulations for Livestock Exhibited in Maryland. Exhibitors must comply with all General Rules and Regulations and all Livestock Department Rules and Regulations.
2. A \$1.00 fee will be assessed for all rabbits and cavies entered. Exhibitors will only receive premiums for up to 5 rabbits, no matter the total entries. These non-refundable fees must be mailed to Baltimore County 4H Fair, INC. Attention: Registration P.O. Box 1008 Sparks, MD 21152 by June 1.
3. Exhibitor may enter more than one animal per class.
4. Exhibitors must complete a Self-Certification of Rabbit Health Form prior to loading animals & present it upon arrival to the designated fair & show representatives.
5. Rabbits must arrive with an individual identification of each animal; tattoo.
6. All Exhibitors will carry their own animals to & from the show table. Exception: exhibitors showing another animal at this Fair, can ask a Baltimore County 4-H youth to carry their animal. Absolutely no adults are to carry animals.
7. There will be no interaction between the public and the animals at any time. This is for the safety of the animals as well as the public. No sale or advertisement of rabbits permitted.
8. Exhibitors must supply own feed and water in recognized animal containers. (Crocks, metal, or plastic containers that mount to the inside of the wire of the cage) No cans of any kind permitted.
9. Exhibitors must feed and water their animals daily. If the exhibitor cannot comply, arrangements must be made with the Department Superintendents. Failure to do so will result in ½ of your premium per animal being withheld.
10. Rabbits received Wednesday from 3:00 to 6:00 pm. NO EXCEPTIONS!
11. Any animal showing signs of illness or disease will sent home. Decision of Superintendent is final.
12. PET CLASS will be judged according to condition of fur, general health, etc. No pedigree animals entitled to show in a normal breed will be accepted in the Pet Class.
13. Rabbits only entered in hopping/agility class are still subject to all general rules and regulations and will require entry fees to be paid.
14. One substitution will be allowed at time of entry in same sex, breed, and class per exhibitor.
15. When entering your rabbits, all Exhibitors must sign up for the Rabbit Information Table — two 1-hour time slots; limit of two exhibitors per time slot.
16. Exhibitors are not permitted to stay overnight in the Rabbit Dept.
17. Meat Pen considered one animal for premium purposes.

Sheep Departments

General Rules

Identification for Sheep: All sheep must be identified with USDA-approved Scrapie ear tags.

Out-of-State Sheep

No additional requirements.

Market Lambs

It is recommended that all lambs be slick shorn prior to entry for inspection for club lamb fungus.

1. All entries are subject to Health Regulations for Livestock Exhibited in Maryland. Exhibitors must comply with all General Rules and Regulations and Livestock Department Rules and Regulations.
2. Show Attire: 4-H exhibitors must wear approved uniforms at all times while in show ring.
3. Exhibitor must be present for check of health papers and registration.
4. All exhibits must be in place on Wednesday by 9:00pm.
 - a. Animal Exhibitors must have registration and health papers available at all times.
 - b. **ALL REQUIRED EAR TAGS** (farm tag, 4-H tag, RFID tag, scrapie tag) **MUST BE IN PLACE PRIOR TO ARRIVAL AT THE FAIR GROUNDS.** Animals without required tags upon arrival to the Fair Grounds will not be permitted on the grounds. In the event that any animal loses the tag prior to the Fair, the 4-H Extension Educator must be notified immediately.
5. All sheep are required to have appropriate scrapie identification
6. All sheep will be mouthed.
7. An Exhibitor who wins Champion Fitting and Showing may thereafter only show in Champion of Champions Fitting and Showing class.
8. Animals are to be kept in their pens or designated area at all times except for show time or walking to the wash racks. Animals should never be walked in other areas of the barns or Fairgrounds. This is for the safety of both the General Public and the animal.
9. Shavings or straw are permitted. Bedding material must be supplied by the exhibitor. All pens must be cleaned before removal of animals from the Fairgrounds or premium money will be forfeited.
10. All sheep, regardless of age or sex, must be from flocks registered in the scrapie control program and so identified by a) USDA approved tags, b) a legible registration tattoo, or c) an approved premise tattoo, before going to a MD fair or show. In addition to general requirements for individual sheep, the entire flock must be inspected for the presence of contagious or infectious diseases by an accredited veterinarian.
11. The tail docking policy previously in effect will be voluntary. (Market Lambs properly docked will have a minimum tail length of .7 inches.) It is recommended that you follow this protocol to reduce the risk of a rectal prolapse. Success of the voluntary policy will be evaluated on a continual basis. Animals observed with a rectal prolapse will be removed from the fairgrounds.
12. Exhibitors are permitted to make two entries per class, regardless of breed, except market lambs, pairs and group classes.
13. All Breeding Sheep classes must meet the minimum criteria of 4 entries, or animals will be placed in the "Other Breeds" classes.
14. No companion animals allowed. Only animals entered and being shown are permitted on the fairgrounds.
15. No Sale Or Advertisement Of Animals Permitted Except Through The Livestock Sale.
16. All sheep must be properly presented for show. Market lambs must be slick shorn prior to their arrival the fairgrounds. In addition, no animals will be shorn once they come on the premises, as a preventive measure against spread of infection from wool-borne disease organisms.

5. Name of the exhibitor as shown on the entry form must be identical to that shown on the Breed Association Registration Paper.
6. Substitutions: Exhibitors are permitted to substitute one animal for another in the same class but substitution must be within the same breed.
7. All exhibits must be in place on Wednesday by 9:00pm.
 - Animal Exhibitors must have registration and health papers available at all times.
 - ALL REQUIRED EAR TAGS (farm tag, 4-H tag, RFID tag, scrapie tag) MUST BE IN PLACE PRIOR TO ARRIVAL AT THE FAIR GROUNDS. Animals without required tags upon arrival to the Fair Grounds will not be permitted on the grounds. In the event that any animal loses the tag prior to the Fair, the 4-H Extension Educator must be notified immediately.
8. All sheep are required to have appropriate scrapie identification
9. Show Attire: 4-H exhibitors must wear approved uniforms at all times while in show ring
10. Once sheep are checked in they may not be removed from the grounds during the Fair without the superintendent's permission.
11. No artificial coloring may be used on animals at any time.
12. Teeth requirements: Spring Lambs—All lamb teeth must be present. Fall Lambs—Yearling teeth may be present but must not be even with the lamb teeth at time of show. Yearling—Sheep may not have more than 4 permanent teeth showing at time of show.
13. All Market lambs must be the bona fide property of the exhibitor and been owned in the name of the exhibitor by May 1 of the current year. Market sheep and commercial sheep must be tagged with a MD 4-H Livestock tag prior to arrival at the Fair.
14. Market Lambs must be born no earlier than January of the current year. Market lambs may be ewes or wethers. All castrated lambs must be completely healed.
15. All market lambs must be completely slick shorn within 1 week of the start of the Fair. NO BUTT WOOL ALLOWED. No Artificial coloring is allowed. Lambs not meeting the criteria will not be weighed and will be disqualified from the show.
16. Sheep exhibited in a market class may not be exhibited in a breed class.
17. Only one entry per exhibitor in pair and group classes.
18. No sheep will be permitted in the ring unless properly cleaned and blocked.
19. All 1st & 2nd place Market Animals must be presented for selection of Grand & Reserve Grand Champions.
20. Grand Champion and Reserve Grand Champion must grade and be sold at the Livestock Sale. The animals must meet quality standards and will be graded by the Grading Committee.

21. All Sheep exhibitors who sell in the Livestock Sale must comply with the Livestock Sale rules. Only market sheep exhibited in the show may sell if they meet quality standards as determined by the Grading Committee.
22. Exhibitors may nominate up to 4 animals for market classes, however, an exhibitor may only show 2 animals per weight class. Market lambs will be shown by weight classes, not by breed. Approximate weight classes determined after weights received.
23. Per Maryland Association of Agricultural Fairs and Shows and the MD Department of Agriculture, all market lambs must be slick- shorn PRIOR TO ARRIVAL at the fairgrounds. This is to decrease problems from Club Lamb Fungus. No animals will be shorn once they come on the premises.

SPECIFIC RULES:

1. Note: All entries are subject to Health Regulations for Livestock Exhibited in Maryland. Exhibitors must comply with all General Rules and Regulations and all Livestock Department Rules and Regulations.
2. A \$2.00 fee will be assessed for each animal entered. THESE NON-REFUNDABLE FEES MUST BE MAILED TO Baltimore County 4H Fair, INC. Attention: Registration P.O. Box 1008 Sparks, MD 21152 by June 1st. This fee is separate from the tagging fee assessed by the MD 4-H Program to purchase the animal ear tag.
3. All purebred breeding swine must be the bona fide property of the exhibitor and must have been owned and registered with the appropriate Breed Association in the name of the exhibitor by July 1 of the current year. Leased breeding swine must comply with Livestock Department General Rule #4. The Sponsor must sign the section on Lessee Compliance in the Lease Agreement and a copy of the signed Lease Agreement MUST BE MAILED TO Baltimore County 4H Fair, INC. Attention: Registration P.O. Box 1008 Sparks, MD 21152.
4. All exhibits must be in place on Thursday by 10:00am.
 - Animal Exhibitors must have registration and health papers available at all times.
 - ALL REQUIRED EAR TAGS (farm tag, 4-H tag, RFID tag, scrapie tag) MUST BE IN PLACE PRIOR TO ARRIVAL AT THE FAIR GROUNDS. Animals without required tags upon arrival to the Fair Grounds will not be permitted on the grounds. In the event that any animal loses the tag prior to the Fair, the 4-H Extension Educator must be notified immediately.
 - In addition, all Swine (registered or commercial) must have the US official RFID tag via the producer or vet as required by MDA. NO NON-RFID TAGS WILL BE ACCEPTED.
5. Exhibitor must be present for check of health papers and registration papers.
6. Show Attire: 4-H exhibitors must wear approved uniforms at all times while in show ring.
7. Market Hogs must be born no earlier than Jan 1 of current year.
8. All market swine must be the bona fide property of the exhibitor and must be owned and registered with the County Extension Office by May 1 of the current year.

ALL EQUINE

Identification: Individual official identification shall include the following as applicable: EIA test report with photo or drawing of the animal, tattoo, brand or microchip. Animals using tattoos or brands for official identification must be accompanied with the breed registration papers.

Equine Infectious Anemia (Coggins) Testing: All equine for exhibition shall be accompanied by a valid Coggins Test done within 12 months prior to exhibition entry.

Self-Certification Requirement and Exemption: Exhibitor's Self Certification of Animal Health is required for each equine entering a fair/show-type event where multiple livestock species are present. The form must be available for inspection if requested. Those participating in equine-only shows and events are exempt from this requirement; however, it is good practice to thoroughly double check the health and skin condition of the animal before departing for the event. The form provides an easy checklist to do this. Exhibitors may not bring an animal having apparent or known signs of a contagious or infectious disease to a show. Self-certification forms can be found at the following link:

<https://extension.umd.edu/sites/extension.umd.edu/files/docs/equine-exhibitor-self-certification.pdf>

Maryland Equine

1. All horses and other equidae, 9 months of age and older, shall be accompanied by a negative test for equine infectious anemia (EIA) made within the 12 months before the date of the event. A copy of this test shall accompany every animal.
2. A Maryland Certificate of Veterinary Inspection (CVI) is not required for Maryland equine.

Out-of-State Equine

1. All horses and other equidae, 9 months of age and older, shall be accompanied by a negative test for equine infectious anemia (EIA) made within the 12 months before the date of the event. A copy of this test shall accompany every animal.
2. All horses and other equidae shall be accompanied by a Certificate of Veterinary Inspection (CVI) issued within 30 days prior to entry.
3. The following contiguous states and New Jersey are exempted from the CVI requirement: Delaware, Pennsylvania, Virginia, and West Virginia.

Important Note- Again for the 2021 show, we are combining the English and Western Show into a single show where riders can "pick their tack", meaning they may show in English or Western tack with the corresponding attire. All tack must still abide by the rules of the Maryland 4-H Horse and Pony Rule Book. We will evaluate the entries and determine if it is necessary to split the divisions by age to ensure a safe and fair show.

We will reevaluate the show structure and class list again prior to the 2022 fair to see if there are enough entries and if there is an interest from the exhibitors to go back to a more traditional show layout. If you have questions about the new format, contact Carrie O'Meara at carolineomeara04@gmail.com or 410-961-3041.

Part 1: 4-H youth Eligibility

1. This show is NOT a qualifier for State Fair. See your Club Leader for State Fair entry rules.
2. This show is open ONLY to 4-H members who:

- Are enrolled and a member in good standing of a Baltimore County 4-H Club.
 - Are enrolled by May 1 of the current year, in either:
 - The Horse and Pony Project (must own or lease the horse)
 - Have a pony card (owned or leased), lease agreement (leased) on file with the Baltimore County 4-H Office by June 1st. There will be no exceptions this year. OR enrolled in the horse lover's program through the 4-H office.
 - Have completed appropriate Horsemanship Standards/Performance levels. Contact the Baltimore County 4-H Office for details, Carrie O'Meara is not affiliated with Horsemanship Standards.
 - Have ridden in at least one show with their project animal.
3. Supervision: each child must have a parent/guardian, or designated UME volunteer chaperone on site at all times. If the parent/guardian leaves, they must designate and alert a UME volunteer that will be responsible for their child. ALL parents must remain accessible at all times when they are away from the Fairgrounds in the event of an emergency.
 4. Exhibitors are required to attend the ethics meeting held by the County 4-H Office prior to the fair.

Part 2: Project Animal

Note: all entries are subject to Health Regulations for Livestock Exhibited in Maryland.

1. A negative coggins must be provided at check in. PLEASE NOTE- Even if you mail in your coggins, you will need to have a coggins available when your animal arrives at the fairgrounds-even if you are not hauling your own animal.
2. All horse exhibitors must complete a Self-Certification of Horse Health Form prior to loading animals and shall present it upon request to the designated fair and show representative.
3. In the event that a project animal becomes un-usable prior to the fair, please contact Carrie O'Meara as soon as possible to discuss possible arrangements on a case-by-case basis. Substitutions are not guaranteed.
4. No Stallions over one year old are allowed on the grounds.
5. No companion animals are allowed on the grounds, unless they are a mare for an entry in a young animal class.

Part 3: Sharing of animals:

1. Only immediate family (siblings, aunts, uncles, nieces, nephews, step and half siblings) may share project animals that are owned or leased in non-horse lover divisions.
2. Any questions should be directed to Carrie O'Meara as early as possible, prior to registration.

Part 4: Entries

1. Each class cost \$2.00 each. THESE NON-REFUNDABLE FEES MUST BE MAILED TO Baltimore County 4H Fair, INC. Attention: Registration P.O. Box 1008 Sparks, MD 21152 by June 1st.
2. Exhibitors may only enter one animal per class
3. Cross Entering: Exhibitors in Walk Trot/Jog may not enter any other riding divisions, even on a different animal.

Part 5: General Rules

1. This show is governed by the MD 4-H Horse and Pony Rule Book, 4H226 which can be found at the following link: <https://extension.umd.edu/sites/extension.umd.edu/files/2021-04/Horse%20Show%20Rule%20Book%204H266Layout09.pdf> If there is a clarification needed that the 4-H rule Book doesn't cover, then the AQHA Rule Book will be consulted. Please see the show superintendent if you need to consult a rulebook during the show. Note, fence heights are not rules and will be set at a level appropriate for county fair competition.
2. Only designated individuals are allowed in the ring.
3. The Judge or Superintendent may dismiss any entry that they feel is out of control or a danger.

4. Classes may be combined, divided or eliminated at the discretion of show officials. All under saddle classes must have 3 entries to fill a class.
5. Tie Breaking: In the event of a tie, a coin toss will be held.
6. Questions about placings or points: all questions should be directed to one of the superintendents. Only show management can direct questions to the scorekeeper.
7. Neither the Baltimore County 4-H Fair Association nor its show staff will be responsible for damages or injury to horses, riders, spectators or equipment.
8. Exhibitors are responsible for feed and bedding. Stalls must be stripped and checked out prior to leaving the fairgrounds.
9. See fair schedule for stall availability schedule. If you have a conflict, please contact Carrie O'Meara.
10. Any complaints or concerns must be addressed to one of the Superintendents. Protests must be accompanied by a \$100 check. The fee will be returned if the decision is in favor of the complainant. The decision of the Fair Board will be final.

Division Specific Rules:

1. UME volunteer Adult assistance is allowed entering and exiting the ring for speed classes.

Rules and Regulations:

Any 4-H member who is exhibiting Beef, Dairy, Goats, Horses, Sheep or Swine and plans to stay overnight at the Fair must meet the requirements in General Rules and Regulations and enter Department 34 online. To stay overnight in the Fair barns, 4-H members must have approval of parents or guardians. Parents/guardians are welcome to stay with their own children but cannot be responsible for other children without UME approval. NOTE: Poultry & Rabbit Exhibitors are not eligible to spend the night.

Parents/guardians who designate an adult chaperone responsible for their children staying overnight in the barns must ensure the adult is an UME volunteer.

Youth must designate who will be their chaperone at time of online entry.

Members are permitted to remain only in Barn Areas where adult volunteers are available for overnight supervision. A member may be required to go home if adult volunteers are unavailable for the area. Any youth staying overnight on the MD State Fairgrounds is the responsibility of their parent or designated chaperone and that neither the MD State Fair nor the Baltimore County 4-H Club Fair Association, Inc., can be held liable for subsequent incidents.

4-H Members cannot stay overnight without having completed the Health Form and Behavioral Expectations Agreement through the MD 4-H online enrollment system, and must abide by the requirements of the Behavioral Expectations agreement. The Youth Release Form must be uploaded to the fair entry system by June 1st.

Parents and UME Volunteers spending the night must complete and upload to the fair entry system the Health Form and Adult Release Form by June 1st.

NOTE: If a UME Volunteer completed the Health Form through the MD 4-H online enrollment system, they do not have to mail the form.

Clovers \$1.00 participation

SPECIFIC RULES:

1. The County Fashion Revue and Awards Program will be held Thursday, 5:00pm in the Maryland State Fairgrounds. Preliminary judging will be held by appointment at a location to be determined. Superintendent will schedule appoint upon registration.
2. Contestants must complete a separate entry form for each outfit entered and mail to Laura Kefauver, 11618 Big Spring Road, Clear Spring, MD 21722, so as to be received by June 1st. DO NOT MAIL OR DROP OFF entries to the 4-H Office.
3. Entry forms will be available online at www.baltimorecounty4hfair.com.
4. Age Divisions are determined by 4-H youths age as of January 1 of the current year:
 - a. CLOVERS - ages 5-7; JUNIORS - ages 8-10; INTERMEDIATES - ages 11-13; SENIORS - ages 14 – 18.
5. Clovers may enter only one outfit – either constructed or Ready-to-Wear. Clovers will participate in both the preliminary judging and the Fashion Revue. They will receive special Clover ribbons.
6. Junior, Intermediate and Senior contestants may enter no more than two outfits. Each outfit must be entered in a different category. Contestants must place themselves in one of the categories on their application.
7. All judges' decisions are final at the time of preliminary judging.
8. No changes may be made to Senior outfits that are chosen to go to State Fair. You MUST go to the State contest in the outfit chosen by the judges.
9. All outfits entered in categories, except Ready-to-Wear, must be constructed by the 4-H youth using a sewing machine, hand stitching, weaving, knitting, or crocheting. The entire outfit does not have to be home constructed, unless listed as a requirement for the category. (For example, if a 4-H youth made a pair of shorts to enter in the Active Wear category, they could either make or buy a shirt to go with them.) Accessories do not need to be made by the contestant. However, they will be taken into consideration in judging the overall appearance of the outfit.
10. Outfits entered in the Ready-to-Wear category must be constructed by a manufacturer. No home constructed items may be entered in this category. Garments do not have to be purchased new (i.e. they may be purchased at thrift or second-hand stores, yard sales, etc.) and may be altered. Accessories will be taken into consideration in judging the overall appearance of the outfit.

AWARDS:

1. Clovers will receive participation ribbons.
2. Jr., Int., and Sr. contestants will be judged on the Danish System and will receive a blue (excellent), red (very good), or white (good) ribbon. In addition, Champions and Reserve Champions may be selected in each age division from each of the categories. From the Champions in each age division, an overall Grand Champion and Reserve Grand Champion may be selected for Constructed and/or Ready-to-Wear. Champions will be chosen from participants receiving blue ribbons. Therefore, if no one in a category receives a blue ribbon, there will be no Champion for that category. There will also be several special awards given, including Best Model and Best Accessorized.
3. Senior 4-H youths selected as class Champions may represent Baltimore County in the State 4-H Fashion Revue held at the Maryland State Fair. If for some reason, the class Champion cannot participate in the State Revue, the Reserve Champion may go as an alternate. Each contestant may only represent Baltimore County in one class at the State Revue. Therefore, if a contestant is

Champion in two categories at the County level, they may only go on to State in one category and an alternate will represent the County in the other category.

- Two 13 year olds will be selected to represent Baltimore County in the State 4-H Fashion Revue. These contestants will not be judged, but will gain experience at the State level which will be valuable the following year as a senior.

In recent years in the Northeast Region, there have been numerous food borne outbreaks of Salmonella enteritidis associated with the use of raw eggs in food products. Ice cream has been implicated in several of these outbreaks. Senior citizens are especially vulnerable to the effects of salmonellosis. Because raw eggs are an important ingredient in homemade ice cream mixed and because the ice cream made for this contest will be served to the public, the Baltimore County Dept. of Public Health makes the following recommendations:

1. The safest method of making ice cream is to purchase a commercially pasteurized ice cream mix and add flavoring ingredients just prior to freezing.
2. If your ice cream is made "from scratch", cooking the mix to 165 degrees F will destroy the Salmonella organisms. Cool the mix to 120 degrees F and then refrigerate at 40 degrees F or below until freezing.
3. Should you wish to make ice cream with an uncooked mix, substitute liquid pasteurized eggs for raw eggs.

Always use pasteurized milk. USDA inspected eggs (or USDA approved pasteurized eggs) and flavoring ingredients from approved commercial facilities.

Department 44 Judging

VACANT

We are currently looking for adult leaders that are willing to coach Baltimore County 4H youth in the art and skill of livestock judging.

What is livestock judging? Livestock judging focuses on four main areas:

1. Information—the judge must know the intended use of the individuals that comprise the class.
2. Observation—the judge must carefully observe each individual in the class and note how it meets or fails to meet the requirements of its intended use.
3. Comparison—each individual must then be compared with all others in the class to establish differences and similarities.
4. Conclusion—after completion of the first three steps, the judge must arrive at a logical placing for the class of animals.

4-H youth judge a class alongside the official judge of the class and at the conclusion of the class the youth must then provide their rankings as well as oral reasons stating their reason for ranking the class of animals in the manner that they did. Youth receive points based on their oral reasons as well as how closely their ranking matched the official judge's ranking of the class. Greater weight is given to how well the youth is able to articulate their reasons for the class placings.

Animals that are typically used for judging classes are:

Beef Cattle

Sheep (wool and market)

Swine

Dairy

Goat (milk and market)

Horses

If you are interested in learning about the art of judging and would like to coach a youth group then contact the Baltimore County Extension Office at 410-887-8090 for more details. No experience is necessary, just an open mind and a willingness to learn and grow alongside our 4-H youth.

Proposed Premiums: 1st - \$3.00, 2nd - \$2.00, 3rd - \$1.00

Shepherd's Lead is a contest to show the relationship between the shepherd and the wool products made from sheep (clothing products). The competitor leads a young sheep (ewe or wether) around the ring while wearing an outfit made from wool, either sewn, knitted, or crocheted. The contestant is judged on the handling of the sheep, as well as the outfit.

SPECIFIC RULES:

1. To enter, you do not have to own your sheep or carry the sheep project.
2. The sheep must be fitted and trained to a halter. Animal can be a breeding ewe or a market lamb. Aged ewes are allowed, but all sheep must be entered and shown in the market lamb and breeding sheep or wool sheep show.
3. The contestant will be judged on the mode of dress selected. The outfit must be attractive and lend elegance to the contest. The garment must be made of at least 60% wool. Contestants must furnish their own garment. Garments from previous years are not acceptable.
4. The judging criteria will be as follows with a possible score of 100 points:
 - a. Outfit 40 points
 - i. Wool outfit that is made or purchased. Credit will be given for garments made by the contestant.
 - ii. The contestant's own presentation and appearance (poise, confidence, and the outfit's attractiveness).
 - b. Presentation and Control 30 points
 - i. Overall appearance of both the contestant and the sheep combined in the show ring.
 - ii. Control of the sheep in the show ring.
 - c. Animals 30 points
 - i. Condition and overall appearance and attractiveness of the sheep (fitting, etc).
 - ii. How well the sheep is halter trained and behaves in the show ring.
5. Narratives must be typed; handwritten narratives will not be accepted. The narrative should include the following information: a) Description of the outfit; b) Information about the animal being led (name, breed, etc); c) Other activities and interests of the contestant.
6. Narratives must be mailed to Sara Ani, 6229 Woodcrest Ave., Baltimore, MD 21209 by June 1.

Sample Narrative:

This is Suzie Clover with her Tunis yearling. Suzie is 14 years old and this is her fifth year as a 4-H sheep exhibitor at the County Fair. Today Suzie is wearing a hand-knit sweater made from 100% merino wool. Merino has a very close crimp and can be spun into a very fine yarn, which makes it soft. Merino wool is naturally a very white fiber so when dyed can produce almost any color yarn. Suzie chose this sweater to complement her wool- blend slacks and she hopes to wear this outfit to fall semi-formal events at her high school. Suzie has been raising and showing Tunis sheep for her entire 4-H career and she has a flock of eight breeding ewes and one ram at home. In addition to the sheep project, Suzie has exhibited her photography projects at County and State Activities Day and is the reporter for the Carefree 4-H Club. Suzie hopes to increase her flock in the next year so that she has a larger lamb crop to sell and she can begin saving money for college. When Suzie isn't working with her sheep, she likes to play basketball and swim.
